

Free Speech Society Goals

The present goals of the F.S.S. are to:

- 1) Expand the number of activists in society who want to join and support the F.S.S.
- 2) To provide financial and infrastructural support for F.S.S. activists to both carry out their purpose and defend themselves against repression.
- 3) To develop a team of legal professionals (lawyers, paralegals, investors, etc.) to defend the First Amendment rights of F.S.S. activists both free and bond.
- 4) To develop youth activists to form F.S.S. chapters in their schools, communities, and social circles.
- 5) To develop F.S.S. chapters o college campuses across the U.S. with a focus on journalism and activist students.
- 6) To develop an Emergency Response Network to aid imprisoned F.S.S. Activists experiencing censorship, repression, or other attacks on their First Amendment rights.
